MIM Program Committee Agenda

Thursday, October 12, 2017

10:00-11:30am

HBK4115

Vote required:
1. New course proposal - INST 728 xxx Personal Health Informatics and Visualization (refer to the *Personal Health Informatics and Vis – Syllabus* and *Personal Health Informatics and Vis Course Proposal Form* documents)

Updates:
1. Data Science Workshops
2. Open House 10/03
3. Internship and Networking Fair 11/7
4. MIM Discussion Forum (students)

Discussion Items:
1. Capstone Waiver Process (refer to the *MIM Capstone Project Alternative* document)
   a. Questions (to be sent by Kathy Weaver)
2. Consistency in MIM Courses:
   a. Core Courses (INFM 600/603/605/612)
   Different sections of core courses should follow the exact same content structure, so that students get same knowledge base out of them. How do we make this happen?
      i. Standardize syllabi for core courses? Who would develop these? How will this be enforced?
   b. Consistency in MIM elective courses?
3. Committee 2017-2018 initiatives (3-5)
   a. TBD by MIM Committee
4. 2018 Maryland Day
   a. MIM activity
