2. INFM 612 – Management of Information Programs and Services
   a. Name change (refer to the *INFM 612 – Name Change Proposal*)
3. INST xxx – Hands On Machine Learning with Weka
   a. New course proposal
4. Content Consistency – MIM Core Courses - goo.gl/WG9qwg (or refer to the *Content Consistency - MIM Core Courses* document)
5. Capstone waiver questions

Updates:
1. MIM Initiatives - goo.gl/uF3dnE
   a. Program Branding - Increase MIM program attractiveness in the information management industry, driving the companies to:
      i. Hire MIM students (who our MIM students are? What they can do and what they can be? Why they are competitive? - **Adam, Vanessa**
      ii. Partner with the MIM program (who we are? How our partners can benefit working with us?) - **Kanti**
   b. MIM Program Learning Outcomes for students
      i. Define skills/knowledge MIM students have to know/have prior to graduating - **Phil**
   c. MIM membership in the local chapters of Information Management groups/associations (e.g. Society for Information Management DC Chapter) - **Kathy and Namrata**

Discussion Items:
1. Thesis Policy (Jeff Waters)
2. MIM Specializations - convert to MIM knowledge areas
3. MIM Activity – MD Day
