

# RESEARCH INTEREST GROUP ANNUAL REPORT TEMPLATE

All fields must be filled out.

## GROUP NAME AND CONTACT INFORMATION

Provide the name of the group, the iSchool faculty member who will be the point of contact (along with their email address), and information about social media (e.g., URL, Twitter Hashtag), if known.

[Click here to enter text.](#)

## GROUP PURPOSE/FOCUS

Please describe the purpose and/or focus of the group. What goals did it pursue?

[Click here to enter text.](#)

How did the activities of the Interest Group contribute to the College's intellectual environment, mission, and reputation? Did it open up a new direction or area? Maintain an existing strength? Build on existing activities to enhance our reputation as a leader in the domain?

[Click here to enter text.](#)

Provide a list of the group members, their affiliations, and contact information. Who was involved over the past year? What were their roles/responsibilities (including admin support)?

[Click here to enter text.](#)

## COLLABORATIVE ACTIVITIES/MEETINGS HELD

Provide a description of the collaborative activities and regular meetings held.

[Click here to enter text.](#)

## COLLABORATIVE PROJECTS UNDERTAKEN

What is the status of projects? Provide a description of the collaborative projects held. For each, briefly describe the purpose or goal and identify the responsible group member.

[Click here to enter text.](#)

## PUBLIC EVENTS HELD

Provide a description of all of the public events held. For each, briefly describe the purpose or goal, the attendance, and identify the responsible group member.

[Click here to enter text.](#)

## FINANCIAL SUMMARY: ALL EXPENDITURES AND FUNDING SOURCES

Please provide a detailed report of the group's expenses and other sources of funding received to support all group's activities.

[Click here to enter text.](#)

## REQUEST FOR CONTINUED OPERATION AND FUNDING

Provide reasons for continued operation and amount of funding requested. Describe plans to continue growing the group, if known.
